

14 July 1960

MEMORANDUM FOR: Mr. N. A. Pelcovits
Chief, External Research Division
Department of State

SUBJECT : Proposal of
University of California

Both ORR and OCI have reviewed the proposal and neither have sufficient interest to justify the expense involved. OCI did suggest that they would be interested in getting the essential findings if that could be done at no expense to the Agency.

W. A. TIDWELL
Assistant to the DD/I (Planning)
